To whom it may concern:

Approximately one year ago, we purchased an upper east side, three bedroom-three bathroom co-op apartment that had not been renovated for over 30 years. Under Jacqueline's supervision, we did a total renovation converting it into a two bedroom-two bathroom apartment. Her ability to create ideal room proportions on a macro level combined with her meticulous attention to detail has given us a finished product that is better than anything we could have ever imagined.

Working with Jacqueline has been an exemplary exercise in professionalism, creativity, and good humor.

It is with great pleasure that we write this letter of recommendation and should you require more information, please feel free to contact us.

Sincerely,
Roslyn and Leonard Garfinkel
